Converted from original working stone barns, the centre offers a selection of meeting rooms. With plenty of natural daylight and a peaceful country setting, meetings can be for a minimum of 2 people up to a maximum of about 100 delegates. The food is simply delicious; whether it is farmhouse breakfast, a sandwich/fruit working break or freshly prepared hot meals. Everybody enjoys afternoon tea with homemade baking in the afternoon!

Accommodation

Our 14 cosy, country style en-suite rooms offer a great nights sleep. Breakfast is served from 7am each morning. Many business guests enjoy walking, running and even bring the bikes to explore the lovely countryside around us on their evenings away and to work up an appetite for our delicious evening meals.

Private Dining & Corporate Celebrations

With a choice of private dining areas this is our speciality and Rudstone Walk is a lovely place to relax or celebrate with colleagues or clients. Our converted stone barn with it's own bar, reception, patio and dining area can seat up to 80 guests for a formal dining, but should you require additional space then a small heated starlit marquee extension can be erected on the patio to give extra seating for upto 100 guests or it can be used to provide a disco/dance floor area.
